

Hopi Education Endowment Fund

Seeds 4 HEEF is our monthly giving program which allows donors to make monthly (or as timely as desired) contributions to the Hopi Education Endowment Fund over the course of a year. At the end of the year the “seeds” will be accumulated and tallied, the cumulative gift total will be sent to the donor to use as a receipt for tax purposes.

Your monthly contributions will make a huge impact over time:

\$5 a month annually will fund school supplies for 1 semester

\$20 a month annually will fund books for 1 semester

\$50 a month annually will fund books for 1 school year

\$100 a month annually will help to fund a one semester scholarship

There are several ways to enroll into the Seeds 4 HEEF program, you can fill out the bottom of the page with your credit card information and mail or fax back to us, you can send checks/money order monthly or visit www.hopieducationfund.org/donate to enroll online.
